## DiamondFlex Banner Stands boldly announce your sales message in under 90 seconds!

DiamondFlex is ideal for trade shows or traveling events since the portability and quick setup make creating a bold display fast and simple.

**Multiple Uses:** Use one DiamondFlex to promote in a small area or as an addition to your larger exhibit. Or combine three DiamondFlex banner stands to create a quick 10' display.

**Eye-Catching Design:** An appealing display stand with an eye-catching design that is more appealing than typical, rectangular retail stands.

**Retractable Graphics:** Keep graphics safe and in place with retractable base stands that store the graphics when not in use. Simply pull out for quick setup.

**Flexible Graphic Options:** Choose from anti-curl inkjet, dye sublimated fabric or laminated inkjet graphics.

**Four Models Available:** Choose Between the standard DF400, the dual-sided DF800, the extra-wide DF447 or the non-retractable DF100.

**Easy-to-Change Graphics:** Unlike most banner stands that require professional installation, DiamondFlex graphics can be changed in a few simple steps through the use of velcro.

**Lifetime Warranty:** Lifetime Warranty on hardware of the banner stand.
