# EXPO **ExpoSpace**™

An ExpoDisplays Product

**ExpoSpace™ offers a contemporary exhibit that is adaptable to a wide variety of booth sizes and configurations.**

ExpoSpace is complemented by an endless array of customized accessories.

**Easy Setup:** With one tool, average setup time is 45 minutes for a 10' display.

**Custom Look Without Custom Price:** Designed to fit 10' and larger booth spaces, ExpoSpace has a custom look, yet provides cost savings on shipping and setup as well as tear down costs, giving you a higher return on your investment.

**Expandable:** Moving up to a larger booth space? ExpoSpace can easily be reconfigured to meet your needs without having to purchase an entirely new display.

**Accessories:** Complement your display with a wide array of accessories including monitors, counters, podiums, shelves, computer workstation and more.

**Multiple lighting options:** Choose between inset lighting within a flat or curved canopy or five halogen stem lights.

**Simple Graphic Changes:** Graphics, headers and side panels can easily be changed out with the use of magnets and a twist to tighten bolts. You can change your entire message with the simple exchange of graphics.

**Warranty:** ExpoSpace is about quality, with a lifetime warranty on the frame.
