

# EXPO ExpoSpace™

An ExpoDisplays Product

ExpoSpace is a versatile modular display system, featuring an aluminum support structure and large format graphics. It is complemented by an endless array of customized accessories.

Designed to fit 10' and larger booth spaces, ExpoSpace has a custom look, yet provides cost savings in shipping, materials handling, installation and dismantling to give you higher return on investment for your trade show budget.

- Ease of set up – Approximately 45 minutes for a 10' unit
- Easy-to-change graphics, headers and side panels
- Standard and custom accessories available
- Wooden shipping container protects components
